# About AFP

**The Association of Fundraising Professionals SC, Central Carolina Chapter is dedicated to:**

- Providing industry professionals an ethics program, featuring our Code of Ethical Principles and Standards as well as The Donor Bill of Rights.
- Developing skills through the transfer of knowledge with the discussion of topics such as planned giving, major gifts, volunteers, direct mail strategies, and more.
- AFP's diverse resources not only help organizations reach out to different audiences but also help build inclusive boards that can more effectively serve different populations!
- AFP is the leader in educating the government, our public policy program works for stronger philanthropic incentives for organizations while helping to streamline the oversight system.
- Developing fundraising leadership starts with AFP's executive programs which focus on management and leadership skills that forge the critical bonds between staff and board.
